Whinny City Pony Con 2016 is proud to support Extra Life as our charity!

Extra Life is a grassroots experience that mobilizes passionate gamers of all types to help Children's Miracle Network Hospitals treat sick and injured kids in their communities. Extra Lifers raise money year-round, culminating in a massive international day of play each fall and ultimately celebrating one grand total together. Extra Lifers typically participate from the comfort of their own home and have raised more than \$14 million dollars since the program was founded by gamers in 2008. Join the movement at www.Extra-Life.org.

Whinny City Pony Con 2016 will be supporting Children's Hospital of Wisconsin through the Extra Life program again at this year's convention. In 2014, Children's Hospital of Wisconsin rose over \$80,000 through Extra Life, and we need your help to crush that number for 2016!

MLP: TOON!

Hosted by Steel Warrior

A fun and "Slice of life"-type of My Little Pony tabletop game, brought to you by Equestria Inspired. Play as the Mane 6 and several of their friends as they learn more about the Magic of friendship as they deal with the problems and adventures that come to Ponyville!

Friday Noon- 2PM - "And Puppy Dog Tails" - Snips and Snails have gone missing, and the Cutie Mark Crusaders have taken it upon themselves to sleuth out the case! Hopefully, with some help from their older sisters! (Heck, they might finally get their cutie marks!)

Friday 8:30PM - 10PM - "Beast From the Everfree Forest" - Terrifying roars are echoing from deep within the Everfree Forest, and nopony knows what could be making such strange noises! What could this mean for the citizens of Ponyville?

Saturday 10AM - Noon - "TREASURE MAP!" - The Mane 6 stumble upon an old map that Twilight Sparkle has dated to be back before Equestria was even founded! How could this be? Who put it here, and why? It's up to the Mane 6 and their friends to get to the bottom of this!

Saturday 4:30PM - 6PM - "The Colossal Nightmare" - Everypony is enjoying yet another wonderful celebration run by Pinkie Pie, but when everypony FINALLY decides to go to sleep, they are all abruptly thrown together into the same terrible nightmare! How will they wake up and escape back to reality?

Saturday 8:30PM - 10PM - "Great & Powerful" - The "Great & Powerful" Trixie has returned to Ponyville! This time, she's got plenty of new tricks up her... Hat... And it's up to the Mane 6 and their friends to figure out how to handle such a loud and boastful unicorn, and learn how she came upon these strange new powers!

Sunday 10AM - Noon - "Tiiiiimbeeeeer!" - Reports that Timber Wolves have been ransacking various Ponyville sheds and yards at night have been increasing, and the townspies are afraid to go to sleep!

PonyTales

MaidRPG

Hosted by Calvin Kruse

A day in Twilight's castle - another great introduction to the role playing field, though aimed more towards the 16 and up crowd. Very anime trope heavy, but still fun for all!

Friday 10PM - 2AM

Forest Kingdoms of Inspireland

Hosted by Steel Warrior

Another tabletop adventure game brought to you by Equestria Inspired, featuring the Celestial Circle! Play as epic-level characters such as Princess Celestia, Princess Luna and other characters from Old Equestrian History, and save the day! Also, if the group agrees before-hand, they can play as their OC's instead!

Friday 2PM - 4PM - "Element-ary" - Strange walking pillars of fire and ice have been attacking a newly-established farming settlement, and they've been growing by the day! Stop the source, before they begin to invade elsewhere!

Friday 6PM - 8PM - "Odds & Ends" - Things are disappearing all over town, and a proactive duke has sent word to the Celestial Circle to enlist their help before something worse happens! What is causing such mysterious action, and what could it possibly lead to...?

Saturday 6PM - 8PM - "Where'd All the Green Go?" - A once-rich farming city has been greatly suffering as crops are wilting, trees are shedding their leaves, and even the animals are leaving! Without the food this city produces several outlying villages and towns will go hungry! It's up to the Celestial Circle to sleuth out the cause, and solve the problem before it's too late!

Sunday 12PM - 2PM - "Maddy Mare's Mechanical Marvels!" - The Celestial Circle take a week off from adventuring for some much-needed R&R, and spend their time visiting a new attraction that has sprouted up along the outer reaches of a settled city: An amusement garden full of mechanical creatures! What could possibly go wrong?

StickGuyRPG

Hosted by Calvin Kruse

A light romp around Ponyville - this is a great introduction to tabletop RPG games, and only requires an active imagination. No complex rules or math!

Friday 4PM - 6:30PM, Saturday 10PM - 12:30PM

Are You A Changeling?

Hosted by Steel Warrior

"Are You A Changeling?" - A conversion of "Are You A Werewolf?", the popular dice-less role-playing party game, also known to many as "Lupus In Tabula", or "Mafia"! Are you ready to try and figure out who the Changelings are amongst your group, and banish them to the dungeon, before they kidnap you? With special roles like the Discorded Pony, Befriended Changeling, and the Creature Catcher all mixing it up even further, the chaotic touch-and-go of the choices everyone needs to make every turn would make Discord himself proud!

Epic Changeling! - This year features all sorts of new roles from the new expansion adding more shenanigans to the mix! Several games will be run over the course of this timeslot, so make sure to stop by and give it a go!

Friday 10PM - 2AM, Saturday Noon - 10PM, Sunday 2PM - 4PM
