## A MESSAGE FROM THE CONVENTION CHAIR

To all Attendees, Sponsors, Guests, Vendors, Panelists, and Volunteers:

After a long three-year break, it is my immense pleasure to welcome you to **Whinny City Pony Con 2022**. Whether this is your first time with us here in Schaumburg or your fifth, I can't thank you enough for joining us and for supporting our event.

Our theme this year is "**Super Hero Showdown: The Return!**", which is a continuation of sorts to our 2020 event that was forced to move online. Here you will find panels, events, activities, costumes, art, music, and more, much of which is connected to this subject of heroes, villains, and, of course, returning.

WCPC22 is also a milestone for another reason - it is the first official event put on by the newly formed Not For Profit organization **Worthwhile Events NFP**. This new business is owned by the same core team that has been in charge of Whinny City Pony Con and Ponyville Ciderfest for many years, and we are looking forward to continuing both of these events for as long as the community wants them around. You can learn more about WE at our panel on Saturday evening.

Of course, the owners are only a piece of the puzzle. This event wouldn't be able to exist without the time and skill of the 80+ Volunteers that have helped out this year. **Please make sure to thank them** as you see them around the event!

There's a lot more I could say, but I'll have to save those thoughts for other times. For now, I'll just wish you all a fantastic weekend, and once again say **THANK YOU** for being a part of WCPC22!

*Hosted By Railershy & TheKingCamBlackman - Deep Dish Room*

Coming back (with healthy play in mind) is a game to rob you of some innocence of cartoon horses you have left. For a black card to be played, a donation to charity will be needed. Not only can this be a lot of laughs but goes for a good cause as well. And as a new perk at this convention, the host will be matching total donations rounded up to the next \$5 mark. Note: The cards can't really be wiped with antibacterial gel or wipes so frequent sanitizer use is highly recommended.

Bronies and Pegasisters! Do you have a sense of humor some would describe as "adult"? Do you love taking innocent things completely out of context? Come on down to the long-awaited return of CAPTIONS AGAINST EQUESTRIA! Attendees will be divided into teams and try to come up with hilariously inappropriate captions to images from the show, with the winning team receiving a prize!
